

Position Title: Quality Engineer**Company:** EL Faraana for Advance Paper Industries**Location:** 10th of Ramadan City, Egypt**Working Hours:** 8:30 AM – 4:30 PM (Friday off)**About Us:**

Founded in 1971, EL Faraana for Advance Paper Industries has grown to become a leading company in sustainable paper solutions. Committed to environmental responsibility and innovation, we pride ourselves on producing high-quality paper products while minimizing our ecological footprint. Our modern manufacturing facility in 10th of Ramadan City is the core of our operations, combining traditional craftsmanship with cutting-edge technology.

Job Description:

We are seeking an experienced Quality Engineer to join our team. In this role, you will oversee quality control processes at our 10th of Ramadan City factory, ensuring that all products meet the highest standards. This is an excellent opportunity for a professional dedicated to quality and sustainability.

Key Responsibilities:

- Lead and oversee quality control procedures.
- Ensure all products meet the company's quality standards.
- Work closely with production teams to maintain product quality.
- Identify and implement process improvements.
- Monitor and report on quality metrics.

Qualifications:

- Bachelor's degree in Science, Agriculture, or Applied Arts.
- At least 2 years of experience.
- Age not exceeding 30.
- Strong attention to detail and analytical skills.
- Ability to work in a fast-paced environment.

What We Offer:

- Competitive salary based on experience.
- Comprehensive health, dental, and vision plans.
- Paid time off and holidays.
- Opportunities for professional growth and advancement.
- A strong commitment to sustainability and innovation.
- Transportation available from Matar El-Merg El-Gadida or El-Salam

How to Apply:

Interested candidates should submit their resume and cover letter to: hr@elfaraanapaper.com

EL Faraana for Advance Paper Industries is an equal opportunity employer. We value diversity and are dedicated to creating an inclusive workplace.
